

Better together is now even better.

We're now seamlessly connected in a first-of-its kind payment experience.

The CareCredit health and pet care credit card and Pets Best Pet Health Insurance now work together in a simple, streamlined experience. Together, we're making paying for pet care friendlier than ever before.

Here's how we work seamlessly together for pet parents that have both:

1 Your client brings in their pet for care

They come prepared with the CareCredit credit card and Pets Best Pet Health Insurance.

2 Pays with CareCredit

The vet team shares the cost for recommended treatment. The client uses their CareCredit card to pay and receives a copy of the invoice.

3 Files a claim with Pets Best

The client easily uploads the invoice and files a claim on the Pets Best mobile app.

4 Receives reimbursement

Once the claim is processed, the client receives an automatic reimbursement credit directly on their CareCredit card for eligible expenses.
