

Cardholder Available Credit Report

The Cardholder Available Credit/Non-Activated Cardholder will show you those who have available credit for additional purchases. You can use this information to help patients get started with their treatment needs.

1 Go to www.carecreditprovidercenter.com

2 Select Reports from the menu at the top of the screen.

3 Select Cardholder Available Credit/Non-Activated Cardholder

4 You can search by City, Last Purchase as of Date, Open to Buy Minimum or Open to Buy Maximum. The Last Purchase as of Date is a required field and the others are Optional.

Press **Search** when done.

The screenshot shows the 'Cardholder Available Credit/Non-Activated Cardholder' search form. It includes a 'Search By' section with four optional fields: CITY (OPTIONAL), LAST PURCHASE AS OF DATE, OPEN TO BUY MINIMUM (OPTIONAL), and OPEN TO BUY MAXIMUM (OPTIONAL). Each field has a text input area and a 'Search' button. The 'LAST PURCHASE AS OF DATE' field includes a calendar icon. The 'Search' button is a green button at the bottom of the form.

5 You will see a list of Matching Cardholders with an Open to Buy amount.

You can choose Edit your Search, Print Page, or Download to Excel.

The screenshot shows the 'Matching Cardholders' table. It includes a 'Search By' section with an 'Edit Search' link. The table has columns: Activated, Customer Name, Address, City, State, ZIP, DOB, Last Purchase Date, Phone, and Open to Buy.
