

Cardholder Available Credit Report

The Cardholder Available Credit/Non-Activated Cardholder will show you those who have available credit for additional purchases. You can use this information to help patients get started with their treatment needs.

1 Log in to Provider Center at www.carecreditprovidercenter.com.

2 Under Reports at the top of the screen, select Cardholder Available Credit/Non-Activated Cardholder.

3 You can search by City, Last Purchase as of Date, Open to Buy Minimum or Open to Buy Maximum. All fields are optional.

Press **Search** when done.

Cardholder Available Credit/Non-Activated Cardholder
